In being granted permission to remodel this building/structure, I hereby agree to comply with all ordinances now in effect in Kennesaw with regard to the State, Fire Marshall, Planning and Zoning, City Engineer, Health Department and Inspections Department. I further agree that all sub-contractors used to accomplish this construction will be properly licensed in the State of Georgia. I understand that a penalty will be levied for all re-inspections and that a permit card must be posted on the job site before any construction can take place.
